Good Morning Ms. Bush,

I left a voice message for you earlier this week and am sending this email to follow-up. I am the EPA Project Officer for ARB's Clean Air Act (Section 105) grant. Mary Hung sent ARB's semi-annual report to me on Tuesday, and I noticed you are listed as the contact for compliance training progress reports. Matt Salazar of our Enforcement Division also suggested I contact you for a copy of these reports, or find out if they are available online. Will you please send me a copy of the most recent compliance training progress reports, or let me know how I can obtain them?

Feel free to call me if you have any questions.

Thank you!

- Angie

Hi Mary,

Your reports should be sent to me. I didn't request it earlier because of delay with your FY18 grant funding.

Thanks!

Hi Angie,

I will confirm with program on the report. Who should program be submitting the report to?

Thank you,
-Mary Hung

Hi Mary,

While reviewing ARB's CAA 105 grant file, I could not locate a semi-annual report for FY18 (October 1, 2017 through March 30, 2018.) If this mid-year report was sent already, will you please re-send it to me? Last year the report was sent to Gary Lance (recently retired from EPA) from Nesamani Kalandiyur. The report may have been mistakenly sent to him again.

If no report was sent this fiscal year, please submit the FY18 semi-annual report asap.

Feel free to call me if you have any questions.

Thanks!

- Angie
